J. P. McKenna Elementary School Clubs 2022 - 2023

Art Club - The Art Club assists in making scenery for school concerts and plays as well as beautifying the school with student art. Students hone in their art skills utilizing a multi-media approach.
Adviser: Ms. Sabia *Day*: Thursday *Grade*: 3 October - January
Grade: 2 February - May

Crazy "8s" Club - Students will participate in high energy math activities to help brain development, lesson anxiety in mathematics and put the fun back into learning. Students will work collaboratively to develop their problem solving skills while deepening their understanding of mathematical concepts.
Advisers: Miss Lawlor & Mrs. Owens *Day*: Wednesday *Grade:* 2 October - May

Kindness Matters Club - The Kindness Matters Club promotes good manners, reinforces positive social skills and brings awareness to empathy for all. Students in this club can plan on doing kindness activities and help create a positive energy throughout our school.
Advisers: Ms. Hogan & Ms. Scorce *Day*: Wednesday *Grade*: 3 November - May

Digital Broadcast Club - The Digital Broadcast Club will meet each morning in the computer lab. Students will sharpen their skills as a live broadcast journalist. This will allow students to write morning announcements to include items such as: weather, lunch, this day in history, etc.
Adviser: Mrs. Zupo *Day:* Monday - Friday AM *Grade*: 4 Begins in April and continues through the 2023 school year

Beyond Games Club - This club will be both fun and educationally rewarding. Research has shown that playing board games promotes interaction between kids to solve a problem. It teaches kids what it means to be a team player. It also allows kids to get off their electronic devices and socialize face to face.
Adviser: Mrs. Congro *Day*: Tuesday *Grade:* 4 October - May

Ornithology Club - This club was established to have our students appreciate nature and all the benefits it has to offer. Besides looking for different species of birds, other benefits include socialization amongst fellow bird watchers and increasing fitness levels.
Adviser: Mr. O'Brien *Day:* First Tuesday of every month *Grade:* 4 October - May

Wolf Pack Pals Club - Members of the Wolf Pack Pals Club will meet once a week based on their team assignment. This club fosters inclusion and encourages building friendships among all students. Students will participate in games, crafts, music and other social opportunities with peers of all abilities.
Adviser: Dr. Klement & Mrs. Nash *Day*: Tuesday/Thursday *Grade:* 5 October - May

McKenna Ambassadors - The McKenna Ambassadors will meet one time a week to organize and participate in fundraisers, events, and activities to help those in need. The students will have a meaningful and fun experience while offering their time and efforts to the community.
Advisers: Ms. Annarumma *Day:* Wednesday *Grade:* 5 October - May
